FOR IMMEDIATE RELEASE

**Events Schedule Released:
Help kids play the sports they love**

At Adams Park in Kennesaw, Georgia on Saturday, June 22, 2013, The Dave Krache Foundation will host the Second Annual Adult Co-Ed Slow-Pitch Softball Tournament. The charity tournament is open for both recreation-league teams and individuals to participate.

At Swift Cantrell Park in Kennesaw, Georgia on Saturday, October 19, 2013, The Dave Krache Foundation will host the first "Dave's Dash" (1 Mile/3 Mile Runs). Adults and kids are invited. Limited space is available. Applications will be made available online in June.

Both events raise money for local kids to play in their local baseball, softball, football, basketball and other sports when they would otherwise be unable to afford to participate.

The Foundation is 501(c)3 non-profit, and was started in August 2012 as a way to help families in need and those going through financial hardships, so that they wouldn't have to say "no" to signing up their kids in sports.

Recent and past sponsorships have come from generous businesses such as: InterContinental Hotel Group, Win-Tech, Inc., Re: Weddings & Events, Inc., Hill Mechanical, Alan L. Watkins Visual Communication, Dick's Sporting Goods, Chick-Fil-A, Baked in East Cobb, and numerous individuals both within and outside the community.

Participants at the events in June and October win prizes, enjoy time with friends, and participate in a growing Foundation with a strong base and hopeful future. "Like" us on Facebook, follow us on Twitter (@DaveKrache), and visit our website: www.davekrache.com
