2019

KIDS & SPORTS

Since 2012, The Dave Krache Foundation has helped 813 kids in metro Atlanta play 17 different sports. The Foundation offers different amounts of award funding based on each family's specific situation.

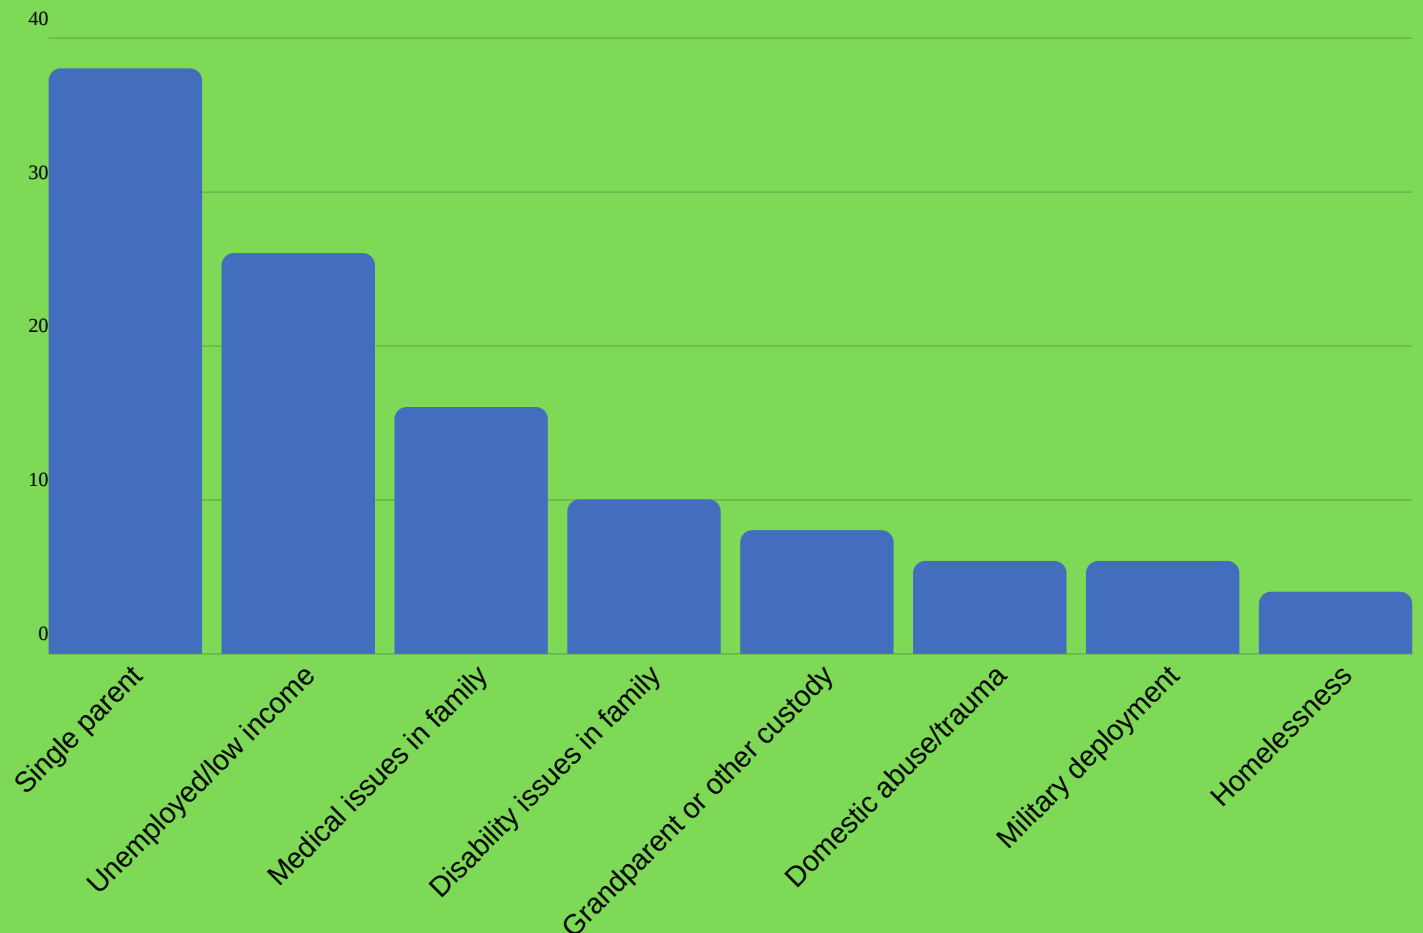

The chart on this page shows the top 8 sports funded by the Foundation, and the percentage of applicants for each.

2019

FAMILY CHALLENGES

The economy is doing well but that does not always translate to individual family situations. The chart below displays the various reasons the DKF was approached in 2019 by families and community partners to help a child play.

2019

SPORTS FEES

The Dave Krache Foundation offered an average of

\$161.00

per child in 2019

Sports fees at parks and schools can cover equipment rentals, umpire and maintenance costs, insurance, and so much more. Seasons can cost \$300+ a child and sometimes, even more. The Dave Krache Foundation works with teams to insure that the park, the family, and the DKF are able to contribute and cover a child's sports needs.

2013-2019

PARTNERSHIPS

2019

EVENTS

How do we do it?

By organizing fantastically entertaining events and fundraising with the help of donors like you!

Enjoy this recap of events that the DKF was a part of to spread its mission of keeping local kids in need playing the sports they love!

January: Super Kids Super Sharing event, hosted by the National Football League

February: Sports & Wine, Marietta Wine Market

June: Atlanta Braves Community Hero surprised Executive Director Allison Giddens with the Community Hero award!

July: The Sports Fanatic 5K, part of the Kennesaw Grand Prix Race Series

December: Giving Tuesday, a successful year of online fundraising to help keep kids in sports!

THANK YOU!

We have so many individuals and businesses who have supported The Dave Krache Foundation and its mission this year. We are extremely grateful to each and every one. Each dollar donated goes directly to support the cause: the non-profit is run solely by volunteers and the Board is passionate to make sure the money donated goes right back into the community.

No child should ever be told they can't play the sport they love because of a financial hardship. With your help, we are making sure they stay on the field!

We are excited about what's to come in 2020: We're bringing back the fundraiser at Marietta Wine Market, improving the Sports Fanatic 5K, and "kicking" off something new and fun in the Fall. We are partnering with baseball, softball, and soccer teams in our community to spread the word that we're here for those in need and thrilled to keep kids playing the sports they love.

Will you be a part of the action?

Alicia K. Giddens
